

WEST 8 SPRING 2020 LECTURE CALENDAR

19-02-2020

Members of West 8's team frequently present lectures and talks on a variety of occasions. We enjoy sharing knowledge and engaging in discussions about our profession.

An overview of opportunities to attend in Spring of 2020:

20 February, Utrecht, The Netherlands

West 8 Director Adriaan Geuze and Frits van Hout (Director of Strategy at ASML) will discuss the 'Future of Making' and its relation to the tasks of the Dutch Ministry of Infrastructure and Water Management.

This event is organized by the as part of the Expeditie RWS2050 project. [Click here](#) for more information.

7 March, Berkeley, CA, United States

Adriaan Geuze is a guest speaker at the LAEP Symposium 'The Shape of the Land: Aesthetics and Utility' organized by Marc Treib and Louise Mozingo from the University of California in Berkeley.

Twelve well-known practitioners and academics will discuss the forms and ramifications of topography modeling. Geuze will talk about the concept of building with nature and landscape architecture's attitude towards dealing with sea level rise.
