

WEST 8 NORTH AMERICA

COVID-19 Update

West 8 is monitoring the COVID-19 pandemic closely and is responding proactively according to advice issued by the federal government and health authorities. We have taken steps in order to mitigate risk for employees and collaborators.

Our North American team will continue to work remotely for the immediate future. Our team is set up at home with all the required equipment and works through secured systems. We remain available during work hours and maintain the same quality of operations in our practice as usual. Please contact our office manager at +(1) 347 371 2252 for instructions regarding mailing and billing.
